Lowe and Fletcher (Wednesbury) Products - Materials Conformance

All mechanical and electronic products (and their variants) offered for sale by Lowe & Fletcher Ltd and manufactured within their Wednesbury factory, conform to the European Regulations listed below.

This document refers to the following European Regulation (E) regulations:-

1907/2006	Registration, Evaluation, Authorisation (and Restriction) of Chemicals (REACH)
2000/53/EC	The End of Life of a Vehicle. (ELV)
2002/95/EC	The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment.
2002/96/EC	The Waste of Electrical and Electronic Equipment. (WEEE)
2005/618/EC	The Restriction of the Use of Certain Hazardous Substances. (RoHS)
2011/65/EU	The Restriction of the Use of Certain Hazardous Substances. (New RoHS)
2014/30/EU	Electromagnetic Compatibility (EMC)

Where the regulation applies specifically to electronic products, this includes the products listed here.

3700 “Gemini” Mini Digital Locks
3760 “Eclipse” Digital Combination Locks
3770 Electric Latch (E-Latch)
3780 “Zenith” Digital Combination Locks (DCL)
